Customer comments

Appendix 1 - Specified other reasons for contacting supplier from question 1:

- My stoma care nurse recommended you to me.
- I was doing the catheter on the bed with the one in the bag but it got a bit tiring at 81 so I am now doing the one over the toilet much better.
- To contact my GP and to request a prescription for me.
- Haven't contacted company.
- For supply of leg and night bags. Fittleworth are just a pleasure to deal with. Yes excellent in every way!
- Arranged by East Herts Health Authority in conjunction with Lister Hospital, Stevenage, Herts.
- Arranged by the hospital.

Appendix 2 - Customer comments from question 16 about any of the questions and how the service from this supplier could be improved:

- Amazing service!
- Very thankful for last year and beginning of this and to continue with your good services.
- Delivery times and telephone answering times much slower in past 18 months. Would use internet to order but the website is dreadful - and I am a younger customer who is very computer literate!
- I use supplies for colostomy and not appliances.
- I have ignored questions where answers would not be clear - e.g. where 2 questions are asked with only 1 set of boxes.
- No, I am satisfied and it meets my needs.
- If I get a phone (and they have my details in front of them) I get called 'Mrs' and I have put my details as 'Ms' if asked for my title! I think it is rude!
- While I have answered "don't know" to some questions overall I have been more than happy with the service provided. All the members of staff have been able to help with any concerns/problems I have had. They have been able to resolve these issues without fuss. Keep up the good work!
- Fittleworth are just simply excellent in every way - very friendly staff and at all times do the very best to please and help. I never have any problems at all and rate them! All their staff are just so nice and friendly! Very many thanks.
- I understand it is difficult to coordinate with courier services and the supplier. But I would like a text please to say that delivery is on its way - sometimes I happen to be at home by chance, although the supplier has a note on the computer for someone to text me before delivering it has not even happened.
- Would be nice if the supplier could acknowledge receipt of the prescription and advise on delivery date by phone.
- They are very prompt.
- Fittleworth are one of the most efficient, polite service anybody could do with. All the staff are first class.
- This company has always provided an excellent service and I am unable to see how it would be improved.
- I am very pleased with the service they are very helpful and pleasant.
- The supplier is excellent, reliable and efficient. My only comment would be the packaging used in delivery could be stronger as the box is often damaged upon receipt.
- I order on behalf of my husband as I am his carer.
- I find the service overall very satisfactory. I have a number of colostomy/stoma products delivered on a regular basis to my home. It is discreet. Ideally I would prefer a more specific delivery time but this is a problem with all deliveries. I do not have a cause for complaint.
- Generally excellent, efficient, helpful, considerate.
- I would like parcels to arrive with a 2 hour slot on a stated date. I currently have to wait in all day.

Details of score calculation

The score provided for each question in this questionnaire is the mean (average) value of all of the ratings from all customers who completed the question. It is expressed as a percentage - so the best possible score is 100%. Non-rated responses (blank/spoilt or 'Don't Know') are not used in the score calculations. (A blank response is where a customer did not respond to the question and a spoilt response is where more than one tick box option was chosen or the questionnaire was defaced).

Example from your Q4a Polite and took time to understand needs?

Total number of customer responses = 57

Questionnaire rating scale	Very good	Fairly good	Fairly poor	Very poor	Non rated responses
Number of ratings	50	5	0	0	2
Value assigned to each rating	100	66.6666	33.3333	0	n/a

$$\frac{(\text{number of Very good ratings} \times 100) + (\text{number of Fairly good ratings} \times 66) + (\text{number of Fairly poor ratings} \times 33) + (\text{number of Very poor ratings} \times 0)}{(\text{total number of customer responses} - \text{number of Non rated responses})} = \frac{(50 \times 100) + (5 \times 66.6666) + (0 \times 33.3333) + (0 \times 0)}{(57 - 2)}$$

Your mean percentage score for Q4a = 97%

The same basic calculation method is used for all the questions where a mean percentage score has been provided, but the values assigned to the ratings will differ depending on the number of rated responses available.

For ease of understanding, below are the details of the values assigned to the ratings in each question where we have provided a mean percentage score:

Q3 - Not at all easy = 0, Fairly easy = 50, Very easy = 100

Q4 - Very good = 100, Fairly good = 66.6666, Fairly poor = 33.3333, Very poor = 0

Q9 - Not at all satisfied = 0, Not very satisfied = 33.3333, Fairly satisfied = 66.6666, Very satisfied = 100

Q15 - Poor = 0, Fair = 25, Good = 50, Very good = 75, Excellent = 100

Explanation of quartiles

In statistics a quartile is any one of the three values that divide data into four equal parts, each part represents ¼ of the sampled population.

Quartiles comprise:

Lower quartile, below which lies the lowest 25% of the data

The median, cuts the data set in half

Upper quartile, above which lies the top 25% of the data

Question	Your mean score (%)	Benchmark data (%)*				
		Min	Lower Quartile	Median	Upper Quartile	Maximum
Q4a Polite and took time to understand needs?	97	95	97	98	99	100

12988

*Benchmarks are based on data from 31 dispensing locations surveyed between March and May 2015 with 40 or more responses. See score explanation in the supporting documents section for score calculation and quartile information.
