## Customer comments

### Appendix 1 - Specified other reasons for contacting supplier from question 1:

- Also it is a local company to me and so more contactable if any problems occur.
- To talk about an order (re-supply).
- No contact made recently.
- To be put on the new computerised system which was advisable for a speedier service.
- My prescription comes to you from my doctor.
- Stoma nurse contacted Fittleworth after my operation.

### Appendix 2 - Customer comments from question 16 about any of the questions and how the service from this supplier could be improved:

- I am very pleased with this service. I always get a reminder by phone when my repeat prescription is due. When order, staff always very helpful. Delivery always on time. Excellent service. Thank you.
- I'm very impressed with Fittleworth - in 4 years plus they have not let me down.
- My supplier (Fittleworth) are a good provider for my needs. I once ran low on supplies due to my own fault. I rang Fittleworth and was encouraged to come right away to their premises to pick up fresh supplies, customised for me, which I did. I will not forget such kindness. Electronic prescriptions are sent.
- Fittleworth's new policy of not supplying new product without the say of a nurse. I have been using colostomy products since 1993. I think I know when a product does not suit me. My stoma nurse is 45 minutes away. I can use the manufacturer.
- I have used Fittleworth for over 25 years and have no complaints of service provided or their staff - ever!
- Re Q5: I am not sure how to answer this question. The details of appliances are usually on the carton and if I needed any information the very helpful customer answering service at Fittleworth would supply it. Re Q8: Surely one's GP would check on these details before signing the repeat prescription. Mine certainly does so I would not expect Fittleworth to do so.
- I cannot fault Fittleworth in any way.
- Very pleased with the service.
- I have been dealing with Fittleworth for three and a half years and have found them to be excellent in every way.
- Fittleworth are an outstanding company. I have nothing but praise for the service provided and the staff who do so.
- In previous years, supplier had their own delivery person, it was excellent, of late, they have used a courier service which is not so reliable.
- With the new black disposable bags - stick a Fittleworth address and telephone label on each bag. I use the old orange outer bags (when I contact Fittleworth) to obtain their telephone number. For information, I call Fittleworth with an order, who then contact my doctors surgery to obtain the prescription.
- I am surprised that some items such as adhesive removal wipes have to be authorised before delivery.
- This service cannot be improved. It is brilliant service all year round.
- Go back to the wipes you sent me before, as the ones you send me now are not adequate.
- I have no problem receiving my appliance. I am very satisfied with my supplier.
- I have been very satisfied with the way I have been dealt with. Fittleworth have been perfect for so many years. I cannot speak of better service.
- I have always been very pleased with the service I have received. I have always found the service of the staff excellent.
- This is difficult. The GP service is poor. Prescriptions are often not what I ordered. Fittleworth usually ring to tell me but not always. Sometimes it is a Fittleworth error but trying to get to speak to anybody senior is often not possible.
- Staff always helpful and polite, better than GP(!) when it comes to sorting out any problems. Thank you.
- Not keen on the new dry wipes. They are too small. Not sure if my mucas fistula disc is right it weeps through my dressing. I should change it daily but it overlaps my ileostomy bag and it would make the bag leak. It pulls it away so I do them together.
- The service I receive from Fittleworth is above excellent. Staff always lovely. I am more than satisfied.

### Customer comments

- I have been receiving my supplies from Fittleworth for five years and in that time I have found their service excellent. If a delivery is delayed they have always informed me. The telephone operatives are always polite, efficient, and friendly. My only criticism is the quality of free wipes and the black bags. The previous wipes were excellent. The current ones are very poor and I need to use double the amount.
- Q6+7 - The supplier has always contacted me by telephone if there has been a problem of any kind and has always been resolved easily.
- Fittleworth are great and know it for husband when ordering.
- I find Fittleworth a very good service. I have been with them for over 25 years.
- Always fantastic service and advice A\*.

## Details of score calculation

The score provided for each question in this questionnaire is the mean (average) value of all of the ratings from all customers who completed the question. It is expressed as a percentage - so the best possible score is 100%. Non-rated responses (blank/spoilt or 'Don't Know') are not used in the score calculations. (A blank response is where a customer did not respond to the question and a spoilt response is where more than one tick box option was chosen or the questionnaire was defaced).

Example from your Q4a Polite and took time to understand needs?

Total number of customer responses = 85

Questionnaire rating scale	Very good	Fairly good	Fairly poor	Very poor	Non rated responses
Number of ratings	78	3	1	0	3
Value assigned to each rating	100	66.6666	33.3333	0.00	n/a

$$\frac{(\text{number of Very good ratings} \times 100.00) + (\text{number of Fairly good ratings} \times 66.67) + (\text{number of Fairly poor ratings} \times 33.33) + (\text{number of Very poor ratings} \times 0.00) + (\text{number of Don't know ratings} \times 0)}{(\text{total number of customer responses} - \text{number of Non rated responses})} = \frac{(78 \times 100.00) + (3 \times 66.67) + (1 \times 33.33) + (0 \times 0.00) + (0 \times 0)}{(85 - 3)}$$

Your mean percentage score for Q4a = 98%

The same basic calculation method is used for all the questions where a mean percentage score has been provided, but the values assigned to the ratings will differ depending on the number of rated responses available.

For ease of understanding, below are the details of the values assigned to the ratings in each question where we have provided a mean percentage score:

Q3 - Not at all easy = 0, Fairly easy = 50, Very easy = 100

Q4 - Very good = 100, Fairly good = 66.6666, Fairly poor = 33.3333, Very poor = 0

Q9 - Not at all satisfied = 0, Not very satisfied = 33.3333, Fairly satisfied = 66.6666, Very satisfied = 100

Q15 - Poor = 0, Fair = 25, Good = 50, Very good = 75, Excellent = 100

## Explanation of quartiles

In statistics a quartile is any one of the three values that divide data into four equal parts, each part represents ¼ of the sampled population.

Quartiles comprise:

Lower quartile, below which lies the lowest 25% of the data

The median, cuts the data set in half

Upper quartile, above which lies the top 25% of the data

Question	Your mean score (%)	Benchmark data (%)*				
		Min	Lower Quartile	Median	Upper Quartile	Maximum
Q4a Polite and took time to understand needs?	98	94	97	98	99	100

14907

\*Benchmarks are based on data from 36 dispensing locations surveyed between March and May 2017 with 40 or more responses and a total of 2,236 returned customer questionnaires.
