Customer comments

Appendix 1 - Specified other reasons for contacting supplier from question 1:

- I am filling this out for the client as she is unable to do so.
- Addition to existing order already given.
- For ordering a supply of colostomy dressings etc.
- St Thomas Hospital contacted the supplier i.e. Fittleworth.
- For a repeat prescription for myself.
- I am wife of customer.
- The original contact was made via the hospital.

Appendix 2 - Customer comments from question 16 about any of the questions and how the service from this supplier could be improved:

- No opinion.
- I have dealt with Fittleworth for many years and have them to be first class supplier. If they have any supply problem they telephone me. I would not change my supplier.
- Overall very satisfied with the service.
- Regarding question 8: If I had not needed the appliance I would not have requested it.
- Better packaging of parcels that are delivered.
- Fittleworth has always given excellent service.
- Always polite and understanding. Many thanks.
- Excellent overall service - friendly and helpful on the phone, accurate delivery of order on the date given, discrete service and no problems at all. Thank you.
- I have been using Fittleworth for a few years now and have always found them to be professional, reliable and helpful. On the occasions that my GP surgery mess things up and cause delays, it is the staff at Fittleworth that work hard to sort it out for me. They are great.
- Exemplary system! Splendid service, polite staff, quick phone response and deliveries "as stated".
- Too many deliveries have not arrived on dates arranged - either goods gone to wrong address or no explanation at all.
- I am very pleased with the services provided to me by Fittleworth, their services are next to none! Thank you Fittleworth for your kindness in the past and hope it continues. Best wishes.
- Even though I say I do not require wipes (I have thousands) they still send them.
- Fittleworth are super pleasant staff on phone and always manage to iron out any problems with my GP failing to send the prescription to them. The company regularly send my order before my GP has got his act together to send paperwork over. They care that you are not left waiting.
- I've been using this service for many years. It has always been excellent. I've been able to talk to a nurse, which I think gives you more confidence in the use of the product. I can't find fault with this firm or it's staff, they are always warm and helpful.
- No improvement needed.
- They have always provided an excellent service.
- Go back to quicker delivery.
- I always find all the staff so kind and understanding. So efficient, take away any stress you might have, that's what you need when you have a stoma. Thanks to all of you.
- The service I have received from Fittleworth over the past several years has been excellent. The staff are always polite, friendly and extremely helpful. Thank you! Can't speak too highly about the company.
- I would like to congratulate all members of your staff. For the promptness and politeness.
- Sometimes if I am not in the parcel is delivered to the neighbour rather than being put over the side gate as agreed. It would be better if it went over the gate. This may be Parcelforce interpreting the instruction incorrectly.

Customer comments

- I had my ileostomy operation and have used this supplier for many years. I am now in my 80s and do not always remember what leaflets were sent to me.
- Wish they give more wipes as use loads as got watery stoma and always run out, but when ask they say no not allowed.
- Cannot praise Fittleworth enough. Every time I have called they are professional, helpful and always sound as if they enjoy their job. Well done.
- The supplier obtains my prescription direct from my GP surgery using the information I have provided over the telephone. The only problems I have encountered are due to the inefficiencies/inexperience of the GP surgery.
- I am very much satisfied of their services; and thank you very much!
- The time between requesting an order and delivery seems very long. Typically 10-14 days. If a patient was able to request the prescription of the GP direct, that might save some time.

Details of score calculation

The score provided for each question in this questionnaire is the mean (average) value of all of the ratings from all customers who completed the question. It is expressed as a percentage - so the best possible score is 100%. Non-rated responses (blank/spoilt or 'Don't Know') are not used in the score calculations. (A blank response is where a customer did not respond to the question and a spoilt response is where more than one tick box option was chosen or the questionnaire was defaced).

Example from your Q4a Polite and took time to understand needs?

Total number of customer responses = 74

Questionnaire rating scale	Very good	Fairly good	Fairly poor	Very poor	Non rated responses
Number of ratings	66	5	0	0	3
Value assigned to each rating	100	66.6666	33.3333	0.00	n/a

$$\frac{(\text{number of Very good ratings} \times 100.00) + (\text{number of Fairly good ratings} \times 66.67) + (\text{number of Fairly poor ratings} \times 33.33) + (\text{number of Very poor ratings} \times 0.00) + (\text{number of Don't know ratings} \times 0)}{(\text{total number of customer responses} - \text{number of Non rated responses})} = \frac{(66 \times 100.00) + (5 \times 66.67) + (0 \times 33.33) + (0 \times 0.00) + (0 \times 0)}{(74 - 3)}$$

Your mean percentage score for Q4a = 98%

The same basic calculation method is used for all the questions where a mean percentage score has been provided, but the values assigned to the ratings will differ depending on the number of rated responses available.

For ease of understanding, below are the details of the values assigned to the ratings in each question where we have provided a mean percentage score:

Q3 - Not at all easy = 0, Fairly easy = 50, Very easy = 100

Q4 - Very good = 100, Fairly good = 66.6666, Fairly poor = 33.3333, Very poor = 0

Q9 - Not at all satisfied = 0, Not very satisfied = 33.3333, Fairly satisfied = 66.6666, Very satisfied = 100

Q15 - Poor = 0, Fair = 25, Good = 50, Very good = 75, Excellent = 100

Explanation of quartiles

In statistics a quartile is any one of the three values that divide data into four equal parts, each part represents ¼ of the sampled population.

Quartiles comprise:

Lower quartile, below which lies the lowest 25% of the data

The median, cuts the data set in half

Upper quartile, above which lies the top 25% of the data

Question	Your mean score (%)	Benchmark data (%)*				
		Min	Lower Quartile	Median	Upper Quartile	Maximum
Q4a Polite and took time to understand needs?	98	95	97	98	99	100

*Benchmarks are based on data from 35 dispensing locations surveyed between September 2018 and January 2019 with 40 or more responses and a total of 2,704 returned customer questionnaires.
